

THE BRUNEL BULLETIN

JULY 2022

WE ARE BRUNEL

By Eleanor Venables

Welcome to Volume 1 of *The Brunel Bulletin* where we have decided to keep our team, customers and other valuable stakeholders updated with the goings on here at Roodscroft.

I would like to start by touching on the interlocking concrete block order we took from W & S Recycling Ltd towards the end of June for 700 blocks!! The boys on site have been working tirelessly to keep up with the orders and with the help of Burcombe Haulage and A&B Potatoes, as well as our own haulage we have now safely delivered 482 blocks to their site in Poole.

If there is anything in particular you would like to see on this newsletter, please do get in touch with me on eleanor@wearebrunel.com.

EMPLOYEE OF THE MONTH

This month we have awarded our first ever employee of the month

Update from the boss' boss,
Nadine Venables

KONVERSTATIONS WITH KEV

Our very own transport manager Kev, gives us an outline of how July has been for us

JULY BIRTHDAYS

1ST July - our very own FD, Eleanor, turned the ripe age of 30!

22nd July - Driver, John McCormack

26th July - Ground Maintenance, Ed Wadsworth

Brunel wishes you all a very happy birthday.

EMPLOYEE OF THE MONTH

We are delighted to announce that our first ever Brunel employee of the month has been awarded to Chris Crago.

New to the team, 'Mr Moral' has quickly become one of the most loveable members of the Brunel Bandits, and his knowledge on motor vehicles is second to none.

Director Tom Smith had some fond words to say about fellow mechanic Chris, 'Chris is a fantastic colleague to work with, his expertise and professionalism has ensured he has quickly fallen into the fast-paced working environment here at Brunel.'

On behalf of the whole team at Brunel, well done Chris!

KONVERSTATIONS WITH KEV

By Kevin Skeels

Brian Venables with 'Kontinental Kev' earlier this month in Greece

With August nearly upon us, July has been an eventful month with 2 new starters welcomed to the Brunel family, Patrick Hussey AKA (Paddy) and second time innings Kris Fergus. We would also like to say goodbye and good luck to Abi and Anne who have left us to embark on a new adventure starting up their own business in steam cleaning. As for the rest of us we know from the previous years the summer months can be lean however, with new projects on the horizon we are keen to keep up with the positive attitude and keep the Brunel cogs turning. We have also received positive feedback from numerous companies highlighting the positive attitude from staff and their excellent driving skills.

FROM NPV

By Nadine Venables

We are delighted to announce that we have planned a company team building day on 5th August 2022, where we plan to let off some steam on the track at Plymouth Karting Centre. This shows the recognition of how much we at Brunel appreciate our team, so, thank you for all your hard work!
